A MESSAGE FROM THE MANAGING & ARTISTIC DIRECTOR

This story is woven throughout the DNA of my family. We traveled together almost constantly, often by car, which gave us ample opportunities to listen to the audiobooks of *The Chronicles of Narnia* on repeat, making them an integral part of my children's upbringing.

The world of Narnia reminds us that, in a world with so much fear, anger, and darkness, there is always light. In a world where we so often make choices that hurt others, there is always room for forgiveness. I am reminded that people can change, and through that change, we can transform the world around us. There is great importance in stories of redemption.

In bringing you *The Lion, the Witch and the Wardrobe* this December, my hope is that the themes of forgiveness, courage, and transformation will find their way into our collective hearts.

We can move forward knowing that, as C.S. Lewis's good friend J.R.R. Tolkien wrote, “There's some good in this world, Mr. Frodo, and it's worth fighting for.”

A NOTE FROM THE DIRECTOR

There is something truly magical about stepping through a wardrobe and discovering a world where anything is possible. *The Lion, the Witch and the Wardrobe* invites us into a timeless adventure filled with courage, friendship, sacrifice, forgiveness, and the enduring power of hope.

One of the greatest joys of directing this production has been seeing what community theater is all about: people of all ages coming together, sharing their talents, building friendships, and creating something special. It is about so much more than putting on a show. I am incredibly proud of our cast and crew, and grateful to the families, volunteers, and supporters who make Schoolhouse Arts Center possible.

To our audience, thank you for joining us on this adventure and supporting live theatre. Whether you're discovering Narnia for the first time or returning to a beloved childhood story, I hope you leave with a little wonder in your heart.

With gratitude and a touch of magic,

April Monte
